Chapter 59.6: Reminder: The Divine Triad's Ultimate Troops

The Divine Triad’s Ultimate Troops and their current numbers are as follows:

1. Apostles of God:

Number: 1 million

Details: Initially infertile and all male, now balanced with male and female members who reproduce within their ranks.

2. Dark Apostles:

Number: Billions

Details: Naturally reproducing population with male and female members, forming families.

3. Heavenly Soldiers:

Number: Trillions

Details: Enhanced by the fruits of the World Tree and allowed to marry females from other races, strengthening alliances.

4. Shadowkins:

Number: Billions

Details: Naturally reproducing population with male and female members, thriving independently.

5. Dragonkins:

Number: Billions

Details: Naturally reproducing population with male and female members, maintaining strong communities.

6. Shadow Lords:

Number: Tens of billions (with spouses)

Details: Previously infertile, now capable of reproduction after Sung Jin-Woo created female counterparts from their ribs.

7. Fiery Dragon Lords:

Number: Millions (with spouses)

Details: Previously infertile, now capable of reproduction after Sung Su-Ho created female counterparts from their ribs.

Total Strength:

The Divine Triad commands trillions of ultimate troops, a force unrivaled across the multiverse.
